Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, at firm educational discounts, to provide continuity of services. The contract was awarded to 15 vendors, and 12 vendors responded positively to the request to extend. Due to the increase in the raw materials used in the manufacturing of products and transportation cost, it is in the best interest of the District to continue using the catalog discount contract at this time. The vendors' performance has been satisfactory. Competitive quotes will be issued against this contract. This is the first one (1) year extension.
