Florida Detroit Diesel-Allison, Inc.
TPH Acquisition, LLLP, D.b.a. The Parts House

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, to benefit from firm, fixed unit prices. Benchmarking for this bid cannot be completed due to the fact that it is structured different than the bids at other school district and counties. Based on the review of the adjusted final prices submitted by all awarded vendors, the primary vendor designated for this extension period will be Florida Detroit Diesel-Allison, Inc. and the alternate will be TPH Acquisition, LLLP, d.b.a. The Parts House. This is the first extension of the contract. The awardees have agreed to extend for an additional one (1) year period, by letter, on file.

Florida Detroit Diesel-Allison and The Parts House were unable to provide additional savings at this time. They were both awaiting general market conditions to change in the coming year to reflect lower prices.
