 No

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, to benefit from fixed prices and continuity of service, inasmuch as the Consumer Price Index (CPI), as of March 2015, indicated an increase of 0.2%. Staff has indicated satisfactory performance from the vendor and recommends extension. This extension is based on the price, terms, and conditions contained in the original contract approved by the School Board.

Benchmark: Attempts were made to benchmark against the School Boards of Broward and Palm Beach Counties, however, the terms and conditions are not similar, so benchmarking could not be performed.
