Board Meeting Date: October 14, 2015 – Agenda Item F-64

Purpose of Contract: The purpose of this ITB is to purchase and deliver, at a firm unit price, for all necessary labor, transportation, material and equipment to test, service, inspect, repair, correct and maintain water-based fire protection systems for Miami-Dade County Public Schools.

Initial Award Amount: \$3,750,000

Initial Contract Award Period and Extension: November 1, 2015 – October 31, 2018

Current Extension Period: November 1, 2018 – October 31, 2019

Recommended Extension Award Amount: \$1,250,000

Recommended Extension Period: November 1, 2019 - October 31, 2020
This is the second extension of the contract. The awardees have agreed to extend for an additional one (1) year period, by letter, on file.

Vendors Recommended for Contract Extension: Two (2)

Bass-United Fire & Security Systems, Inc.
National Fire Protection, LLC

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, to benefit from continuity of service, inasmuch as the Consumer Price Index (CPI), as of April 2019, indicated an annual index increase of 0.3%. Staff has indicated satisfactory performance from the vendors and recommends extension. This extension is based on the terms and conditions contained in the original contract approved by the School Board.

Benchmark: Inasmuch as the contract awarded by The School Board of Broward County, Florida, is structured differently than M-DCPS, benchmarking cannot be conducted.
