Justification: It is considered to be in the best interest of the District to extend this contract for an additional 60 days, to benefit from continuity of service, inasmuch as the Consumer Price Index (CPI), as of December 2019, indicated an annual index increase of 0.2%. Staff has indicated satisfactory performance from the vendors and recommends extension. This extension is based on the terms and conditions contained in the original contract approved by the School Board.

Benchmark: Inasmuch as the contract awarded by The School Board of Broward County, Florida, is structured differently than M-DCPS, benchmarking cannot be conducted.
