FRAMEWORK:              FINANCIAL EFFICIENCY/STABILITY**

The purpose of this bid is to furnish, at firm unit prices and percentage discounts, clocks, and clock and intercom-system parts, for Maintenance Operations and Maintenance Materials Management stock. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Three (3) vendors responded to this advertised solicitation. This bid is being awarded to primary and alternate vendors.

The term of the bid shall be for one (1) year from the date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardees, be extended for one (1) additional one (1) year period and, if needed, ninety (90) days beyond the expiration date of the current contract period.

Benchmarking was conducted against the previous bid, which was awarded by the Board in 2008. Prices were found to be unchanged. Staff attempted to benchmark against Miami-Dade County and the Florida Department of Management Services, however, there were no tangible similarities in the structure of the bids wherein benchmarking could be performed.

Inasmuch as bids for Items 5 and 6 do not meet specifications and no bids were received for Items 14, 15, 18, 19, 22, 23, 25 and 26, the recommendation reflects that these items be rejected. Competitive prices will be solicited for these items, as the need arises, pursuant to Purchasing Policy 6320, Purchase Approval and Competitive Bidding Process Requirements, which describes the procedures and guidelines to be used for bidding based on the estimated dollar expenditure. Additionally, Items 8 through 12, 16, 17, 20 and 24 are being awarded to a primary vendor only as only one bid meeting specifications was received.

Strategies were employed to increase S/MBE and M/WBE participation, however, the list of registered vendors with the District does not reflect certified S/MBE or M/WBE firms for this category.

**SUBJECT:           REQUEST AUTHORIZATION TO ENTER INTO A CONTRACTUAL SERVICES AGREEMENT BETWEEN THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, AND PROFESSIONAL AUDITING SERVICES OF AMERICA, PURSUANT TO REQUEST FOR PROPOSALS NO. 043-NN10 – ACCOUNTS PAYABLE DISBURSEMENT REVIEW SERVICES**

**COMMITTEE:       INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS**

**LINK TO STRATEGIC FRAMEWORK:       FINANCIAL EFFICIENCY/STABILITY**

Request For Proposals No. 043-NN10 – ACCOUNTS PAYABLE DISBURSEMENT REVIEW SERVICES, is to provide accounts payable disbursement review services for The School Board of Miami-Dade County, Florida. This is a term proposal. Four (4) proposers responded to this advertised solicitation.

The term of the proposal shall be for one (1) year from the date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardee, be extended for three (3) additional one (1) year periods and, if needed, ninety (90) days beyond the expiration date of the current extension period.

The required services will identify overpayments made by M-DCPS when paying vendors for goods, services and other expenses. Also, will identify errors such as duplicate payments, pricing errors, unrecorded purchase returns, unapplied cash, misapplied payments and rebate refunds due M-DCPS.

A meeting of the Selection Committee was held on May 22, 2014, to evaluate the proposals received in response to the solicitation. Four (4) proposals were presented for consideration: A/P Recovery, Inc.; Professional Auditing Services of America; Technology Insight Corporation; and TriMerge Consulting Group. The Committee unanimously recommended Professional Auditing Services of America, for award.

Upon further negotiation, Professional Auditing Services of America has agreed to accept the engagement to provide recovery audit services for a reduced contingency fee of 22% (24%-2%).

Strategies were employed to increase M/WBE and SBE/MBE participation, however, no M-DCPS certified vendors are being recommended for award.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, **AUTHORIZE** the Superintendent of Schools to enter into a contractual services agreement between The School Board of Miami-Dade County, Florida, and Professional Auditing Services of America, pursuant to Request For Proposals No. 043-NN10 – ACCOUNTS PAYABLE DISBURSEMENT REVIEW SERVICES, to provide accounts payable disbursement review services for The School Board of Miami-Dade County, Florida, effective July 16, 2014 through July 15, 2015, including extensions thereto, as follows:

SUPPLIES**

**COMMITTEE:               INNOVATION, EFFICIENCY & GOVERNMENT RELATIONS**

**LINK TO STRATEGIC  
FRAMEWORK:               FINANCIAL EFFICIENCY/STABILITY**

The purpose of this bid is to purchase, at firm unit prices, quantities, as may be required, of custodial chemical supplies, for Stores and Mail Distribution stock. This is a term bid which states that the Board may purchase quantities, as may be required, but is not obligated to purchase any guaranteed amount. Ten (10) vendors responded to this advertised solicitation, with two (2) bids meeting specifications and eight (8) bids not meeting specifications. This is an award to primary and alternate vendors.

The term of the bid shall be for one (1) year from date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardees, be extended for one (1) additional one-year period and, if needed, ninety (90) days beyond the expiration of the current contract period.

One bid was received for Item 3, however, the vendor did not provide a sample for testing. The recommendation reflects that this item be rejected. Competitive prices will be solicited for this item, as the need arises, pursuant to Purchasing Policy 6320, Purchase Approval and Competitive Bidding Process Requirements, which describes the procedures and guidelines to be used for bidding based on the estimated dollar expenditure.

Inasmuch as the contracts awarded by The School Board of Broward County, Florida, and the School District of Palm Beach County are structured differently than M-DCPS, benchmarking cannot be conducted.

Strategies were employed to increase M/WBE & SBE/MBE participation, however, no M/WBE vendor is awarded on this bid.
