## Q & A:

Below, are questions requesting clarification of information relating to bid solicitation 041-GG09 – Epoxy Flooring: Furnish and Install (District Wide), and M-DCPS response:

---

(1)

Q. 1. “When do we have to submit the list for subcontractors?”

A. 1. The submittal of a list of subcontractors is not required at this time. Subsequent to bid award, the project manager may request a list of your subcontractors you wish to utilize, should you perform work under this contract.

(2)

Q. 2. “Please list all the forms that have to be included in the bid package?”

A. 2. a. BIDDER QUALIFICATION FORM & **ADDENDUM NO. 1  
ACKNOWLEDGEMENT FORM**  
b. VENDOR INFORMATION SHEET  
c. “LICENSE INFORMATION/REFERENCE SHEET”  
d. BID PROPOSAL FORM (FORMAT B) **(ADDENDUM NO. 1) (6 PAGES)**  
**(THIS IS THE FORM YOU UTILIZE TO ENTER PRICING)**

In addition, please enclose a copy of the following:

- a. CURRENT MIAMI-DADE COUNTY CERTIFICATE OF COMPETENCY
- b. CURRENT OCCUPATIONAL LICENSE
- c. See Special Conditions 19., Page SC4, and Specifications 1.05, Page 5 of 11.

(3)

Q. 3. "Do you have a list of projects by location, size and type?"

A. 3. No. Work will be identified and performed subsequent to the award of contract, as the need arises. Awarded contractor will receive from the project manager, a scope of work, and will be responsible for attending an arranged site scope meeting for each project.

(4)

4. Estimated Bid Quantities

a. M-DCPS was asked to review its estimated bid quantities.

b. A review of bid quantities was made subsequent to the pre-bid meeting, and has been revised through Bid Addendum No. 1. However, quantities are an estimate only. (See Special Conditions 8.)

(5)

Q. 5. Do you have the last contract pricing?

A. 5. Yes. See Agenda Item G-67, dated October 22, 2003.

(6)

Q. 6. How much have M-DCPS spent during each term of the previous contract?

A. 6. See enclosed Previous Contract Expenditure History.

(7)

Q. 7. Can you publish the pre-bid sign-in sheet?

A. 7. Yes. It has been enclosed.

(8)

Q. 8. If the flooring contractor has to hire licensed plumbers, electricians, and gas contractors, does the flooring contractor have to be a State licensed general contractor?

A. 8. See enclosed Metropolitan Dade County Bulletin No. 67-12-10B, which governs the activities of Building Specialty Contractors, for the trade category; flooring.

(9)

Q. 9. What are the School Board of Miami-Dade County payment terms?

A. 9. Net/30 days.

(10)

Q. 10. Please explain procedures or methodology to submit the manufacturer I represent, Polyspec, LP for approval?

A. 10. See Special Condition 8. SPECIFICATIONS:

If a product is to be considered as an equal to the specified pre-approved manufacturer's products identified in the Specifications, (PART 2 – PRODUCTS), complete technical specifications, together with illustrative materials providing brand name, product number, application instructions, and Materials Safety Data Sheet (MSDS) of the product are requested to accompany the bid for evaluation. In addition, a bid offering alternate products shall be governed by Specifications PART 2 – PRODUCTS, 2.03 SUBMITTALS. Non-compliance with this condition prior to award may cause your bid to not be considered for an award.

(11)

Q. 11. Item 80 asks for a separate charge if a project requires more than 3 phases to complete the work. Please explain?

A. 11. This line item is to help the vendors when the need arises. In addition, if any individual project requires more than three (3) set-ups/mobilizations, the contractor will be entitled to a mobilization fee associated with mobilizations greater than 3 phases.

(12)

Q. 12. Is the Jessica Lunsford Act Sworn Statement form, referred to in Instructions To Bidders XVIII still required?

A. 12. No.

## DEFINITIONS - SPECIALTY BUILDING CONTRACTORS

## A. GENERAL

1. DEFINITION: A SPECIALTY BUILDING CONTRACTOR is a building contractor who specializes in one or more of the following building crafts and whose scope of work is so limited under his Certificate of Competency and includes all building contractor categories except General, Sub-General and Sub-Building Contractor. (See Chapter 10, Code of Metropolitan Dade County for official wording covered by paragraphs 1, 2, 3, and 4).

2. QUALIFICATION: His principal contracting business is the execution of contracts, usually sub-contracts, requiring the experience, financial means, knowledge and skill to engage in the business of the particular building specialty concerned in such a manner as to comply with all plans, specifications, codes, laws and regulations applicable.

Required experience shall be for the minimum length of time as indicated hereinafter in each category and may consist of experience as a mechanic, or supervisory or managerial experience or education equivalent thereto, or any combination thereof, in the particular building specialty concerned.

3. OTHER CATEGORIES: He shall sub-contract with a qualified contractor any work which is incidental to his specialty and thus a proper part of his contract, but which is specified herein or in Chapter 10 as being the work of other than that of the building specialty for which he is certified.

4. CONTRACTS AND PERMITS: A specialty building contractor may contract with and do the work for an owner or a qualified and certified contractor and may make application for and be issued permits for only such work as is within the scope of his Certificate of Competency.

5. BOARD POWERS: Where herein certain categories of examined specialties are listed together with unexamined categories and request for Certificate of Competency in more than one listed category is made, it is intended that the Board shall consider the scope of work and shall

## DEFINITIONS - SPECIALTY BUILDING CONTRACTORS

## A. GENERAL

1. DEFINITION: A SPECIALTY BUILDING CONTRACTOR is a building contractor who specializes in one or more of the following building crafts and whose scope of work is so limited under his Certificate of Competency and includes all building contractor categories except General, Sub-General and Sub-Building Contractor. (See Chapter 10, Code of Metropolitan Dade County for official wording covered by paragraphs 1, 2, 3, and 4).

2. QUALIFICATION: His principal contracting business is the execution of contracts, usually sub-contracts, requiring the experience, financial means, knowledge and skill to engage in the business of the particular building specialty concerned in such a manner as to comply with all plans, specifications, codes, laws and regulations applicable.

Required experience shall be for the minimum length of time as indicated hereinafter in each category and may consist of experience as a mechanic, or supervisory or managerial experience or education equivalent thereto, or any combination thereof, in the particular building specialty concerned.

3. OTHER CATEGORIES: He shall sub-contract with a qualified contractor any work which is incidental to his specialty and thus a proper part of his contract, but which is specified herein or in Chapter 10 as being the work of other than that of the building specialty for which he is certified.

4. CONTRACTS AND PERMITS: A specialty building contractor may contract with and do the work for an owner or a qualified and certified contractor and may make application for and be issued permits for only such work as is within the scope of his Certificate of Competency.

5. BOARD POWERS: Where herein certain categories of examined specialties are listed together with unexamined categories and request for Certificate of Competency in more than one listed category is made, it is intended that the Board shall consider the scope of work and shall
