

Bid 090-NN09
Epoxy Flooring
Questions and Answers

Questions:

We have some questions regarding bidder qualification package; Bid No. 090-NN09 (Epoxy Flooring),Items 54 through 81 in bid proposal form(format B).

Most items do not clearly state whether we are pricing to provide labor only or we need to supply the materials as well.

For instance item No 54, do we supply new toilets or just provide labor for removal and reinstallation of existing toilets.

No. 60 , do we also provide the drain? No. 65 & 66 , are we supposed to supply the stair treads and risers or we provide the labor only? And the same concern regarding other items.

Please verify.

Answers:

Install is supply new

Remove and Replace using existing

Repair is to fix

Replace is supply and install

Furnish is to provide

Furnish and install is new and place

Prepare and install is to get the area ready and put in

Question:

Item 65 & 66; are the treads and risers vinyl or metal?

Items 67, wood or metal?

Items 69 & 70; vinyl or metal?

Items 74, 75; cast iron cover or PVC cover

Answers:

This can be found in the master specification at:
