

Questions:

1. Special Conditions, Item #19 Palletization, can you please clarify requirement for palletization, on what orders will be asked to palletize and which will not?
2. How can I attain bid documents?
3. Where exactly are these items going to be delivered because under delivers Section 5, it states all deliveries will be made to the school sites or district facilities and specify Standard or Inside Delivery, as indicated on the purchase order (this is something that would have to specify for us)?
4. Standard means one receiving station on dock and Inside Delivery includes installation and set up, what do you mean?
5. Can you clarify the statement in Special Condition Item # 19?

Responses Answers:

1. Please see addendum 1.
2. Please visit our web site at www.procurement.dadeschools.net and download the documents.
3. These items will be delivered throughout Miami Dade County at the requested public schools and district facilities. For exact school locations please visit web site at www2.dadeschools.net/schools/schoolinformation/; for official listing of addresses of all school locations.
4. Vendor are required to install, and assemble all components of the product at the requested inside delivery location.
5. Please see addendum 1.
