Questions:

1. Can you please clarify the answer to previously asked question # 6 (see attachment)? Looking at the bid form for lines 22-24 there are two columns. One column is titled Quantity and the other is Unit Cost, however at the top the first column is titled "percent (%) of discount delivered and the other column is titled "Percentage (%) of discount delivered/installed. I am assuming that you want in the first column the price for delivered price (landed) and in the second column you want the price per unit as "delivered and installed". Please clarify
