Re: Miami-Dade Public Schools Bid #025-KK03 - Recycling and Solid Waste Collection Services

Dear Mr. Johnson:

We understand that Miami-Dade Public Schools has advertised a bid for Recycling and Solid Waste Collection Services. The bid states that all applicable taxes and fees shall be the responsibility of the successful vendors and shall be included in the bid price. Among the fees charged by the Miami-Dade County Department of Solid Waste Management (DSWM) is the Disposal Facility Fee which imposes a 15 percent surcharge on private haulers' gross receipts in certain areas of the County. We would expect that each bidder would include the Disposal Facility Fee in their bid package. We suggest that you forward this letter to any private companies that have taken bid packages or otherwise expressed an interest in bidding on this solicitation.

Should you have any questions, please call Christopher Rose, Deputy Director, Miami-Dade County Department of Solid Waste Management at 305-514-6618.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen Woods-Richardson".
