Each site visit will begin promptly at the start time shown above. Upon arrival at the facility, please report to the main office and ask to see the site administrator listed above or Ms. Marta Cil-Alvarado. Proposers will at all times be governed by the District's Cone of Silence Board Rule. Please note that these on-site visits will be for the expressed and limited purpose of allowing potential proposers to view general field conditions. Under no circumstance will a proposer be permitted to access any portion of the site's buildings or classrooms, or conduct on-site testing or engage in any intrusive activities during these site visits.
